*Tents – per Kentucky Building Code – 3104 and Kentucky Fire Code – 2000, a permit from the Building Inspector is required and a certificate showing that the tent material has been made fire resistant must be submitted.

** Applicant will be required to present a letter, signed by the local ABC Administrator to the State when applying for a license.

In conjunction with all special event permits, the City of Independence finds that the additional costs of police protection, cleanup of the area, and other associated expenses are such that the City budget cannot be used. After the event, the City will submit a report of the costs associated with your special event permit and the sponsors will be required to reimburse the City for those costs.
